

'Good Guy' BEE MASK

One of the
good things in
the garden

Honey bees are very busy little creatures! Honey bees make and do things that are helpful to humans. Honey bees provide us with honey and are the prime pollinators of the planet. Pollinators help plants make more plants. People need plants to survive.

Cut out the Bee's face to make a mask. Make 2 small slits on the sides to tie a piece of string or ribbon to each side so that you can tie it around your head. Use scotch tape to make the holes stronger so they don't tear.
